Please acknowledge by your signature below that you have read and understand the information in this addendum and have received, read and understand the school's policies, rules and regulations.

Conduct Policy: Students must conduct themselves in a respectable manner at all times. Disruptive or inappropriate behavior, as explained in the school's rules of conduct, or as deemed unsatisfactory or inappropriate conduct by school officials, will result in termination of VA education benefits, and possible dismissal from Lockmaster's Security Institute. Readmittance after conduct dismissal will be at the discretion of the school Director/Owner.

Academic Progress Policy: The academic progress of students receiving VA education benefits is evaluated monthly at the end of the month. VA students must maintain a 75% or greater cumulative grade point average on tests, written and practical exams, and satisfactory and timely completion of all assignments, reports, projects, etc. Failure to meet these criteria will result in being placed on academic probation for one month. If satisfactory progress is not regained by the end of the academic probation period, VA education benefits will be terminated and the student will be subject to dismissal from school. ***Certification to VA for payment will not be resumed until satisfactory progress is regained.*** Readmittance after dismissal for academic reasons requires approval of the school Director/Owner.

Attendance Policy: Students are expected to attend all classes. The attendance of students receiving VA education benefits is evaluated monthly at the end of the month. If circumstances prevent attendance at a particular class, prior notification is expected. If attendance falls below 80%, the student will be placed on attendance probation for one month. If the student has not returned to satisfactory attendance at the end of the one month attendance probation period, VA education benefits will be terminated and the student will be subject to dismissal from school. ***Certification to VA for payment will not be resumed until satisfactory attendance is regained.*** Students whose absences result from authorized mitigating circumstances, as determined by the school Director/Owner, will not be terminated. Readmittance after dismissal for violating attendance standards requires approval of the school Director/Owner.

Conditions of re-entrance for those students dismissed for unsatisfactory progress:

A student whose training is interrupted due to unsatisfactory progress who wishes to re-enter, may do such after 30 days. At this time, the student will receive individual counseling from the school Director to determine if the cause of unsatisfactory progress has been removed and to see if the student is still suitable in his or her aptitudes, interest and abilities. The Director will then make a decision regarding the student's re-entry to the school. After the student re-enters, he or she will be evaluated after a 30-day probation period to determine if they are making satisfactory progress (75% grade point average).

Prior Credit Policy: Per Title 38, Code of Federal Regulations (38 CFR), Section 21.4254 (b)(12), previous training and experience will be considered, and granted if appropriate, for veterans and other eligible students. Veterans must submit a copy of their DD Form 214, military transcripts, and all students must request that transcripts from all previous postsecondary schools attended be forwarded to Lockmaster's Security Institute for review.

Pro-Rata Refund Policy for Veterans and other Eligible Students: Per CFR 21.4254 (b)(9), Lockmaster's Security Institute has a pro-rata refund policy for the refund of the unused portion of tuition, fees (if applicable) and other charges in the event the veteran or eligible person fails to enter the course or withdraws or is discontinued therefrom at any time prior to completion.

Benefits are paid based on the clock hours of attendance per week as stated in the school’s catalog, student handbook, and/or student enrollment agreement. If clock hours per week vary and the benefit amount is affected, the variance must be reported for calendar weeks, Sunday through Saturday, between the beginning and ending dates. Please see the chart below that provides further explanation for Training time requirements for VA Education benefits.

IMPORTANT NOTICE: *Students whose VA education benefits are terminated for violating academic progress or attendance standards may experience a negative impact to their VA education benefits that could result in **SIGNIFICANT DEBTS** owed to the VA.*
