Travel Recommendations

Frequently Asked Questions

Travel Recommendations

Q: Do you recommend arriving a day early?

A: Yes, due to flight cancellations and issues we recommend arriving at least one day prior to the first day of class.

Q: Can I schedule for a late flight on the last day

A: Yes, most two week courses will end around noon or 1:00 pm on the last Friday of the training. However, this all depends on how well the class stays on schedule and picks up the material. IF, you have booked for a Friday departure we recommend telling the instructor at the beginning of class.

Q: Is a rental car needed?

A: Yes, we highly recommend a vehicle regardless of the class length, as Nicholasville is approximately 35 - 40 minute drive from Lexington and our Maryland location is in an industrial area.

Q: Staying in Nicholasville versus Lexington, Kentucky?

A: We recommend Lexington or Brannon Crossing area, not the local Nicholasville hotels found online.

Q: Is there "busy" seasons for Lexington

A: Yes, during Keeneland race courses Spring (April) and Fall (October) meets availability is limited and pricing is higher. Kentucky Derby weekend (first Saturday in May) will also cause a price increase.
